ACKNOWLEDGEMENTS

I can not express my feelings of humility and gratitude for the Grace of Ever All Beneficent , Merciful God, for making this humble effort materialise. I am indebted to my loving mother, who always encourages and prays for me. My lovely flowers, daughter Saroop Gul, sons Sarwan Gul and Mehran Gul provided all technical, moral, and intellectual support.

Professor Shaikh Muhammad Yusuf, Principal Cadet College, Larkana, as always, provided solid support for compilation and publishing this book. Mr Noor Ahmed Memon of Sindhica Academy, not only provided some valueable books, but always rendered precious advice and encouragement.

Late Ms Noor-un-Nisa (may Allah rest her soul in peace) of Planning & Development Department, Government of Sindh, Mr Gul Zaman of the office of Auditor General of Pakistan, Mr Zamir Ahmed Thebow of National Accountability Bureau, helped in a big way in typing substantial part of this book. Mr Nadeem Ahmed Solangi of Sindhica Academy has put in enormous effort in compilation and formating for final printing of this book.

I am grateful to all these friends and all other well wishers. May Allah Subhanahu wa ta'ala accept this small token of service from us all, for the good of mankind.
